"There are other criteria for measuring a life as well as its duration—quality and intensity. I would say that it was his spirit, and only his spirit, that kept him invincibly alive against such dreadful obstacles . . . ."

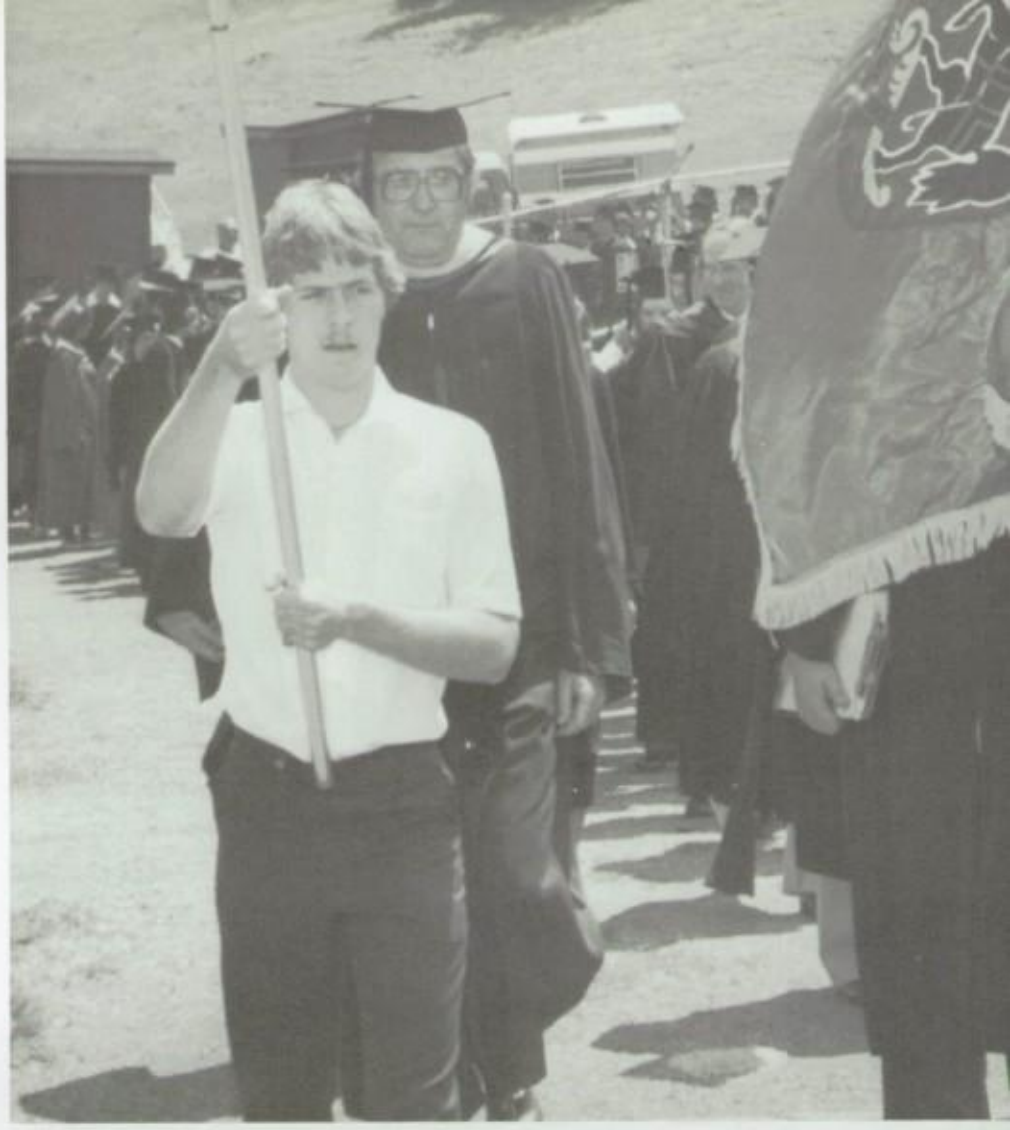
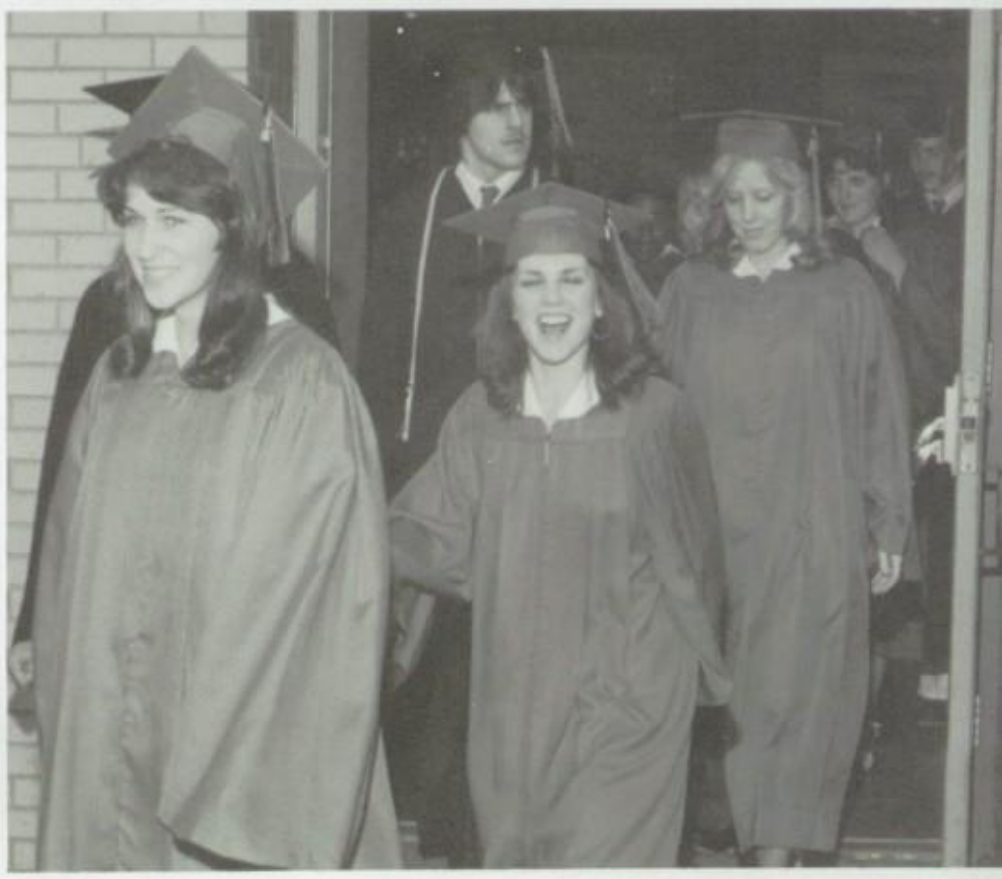
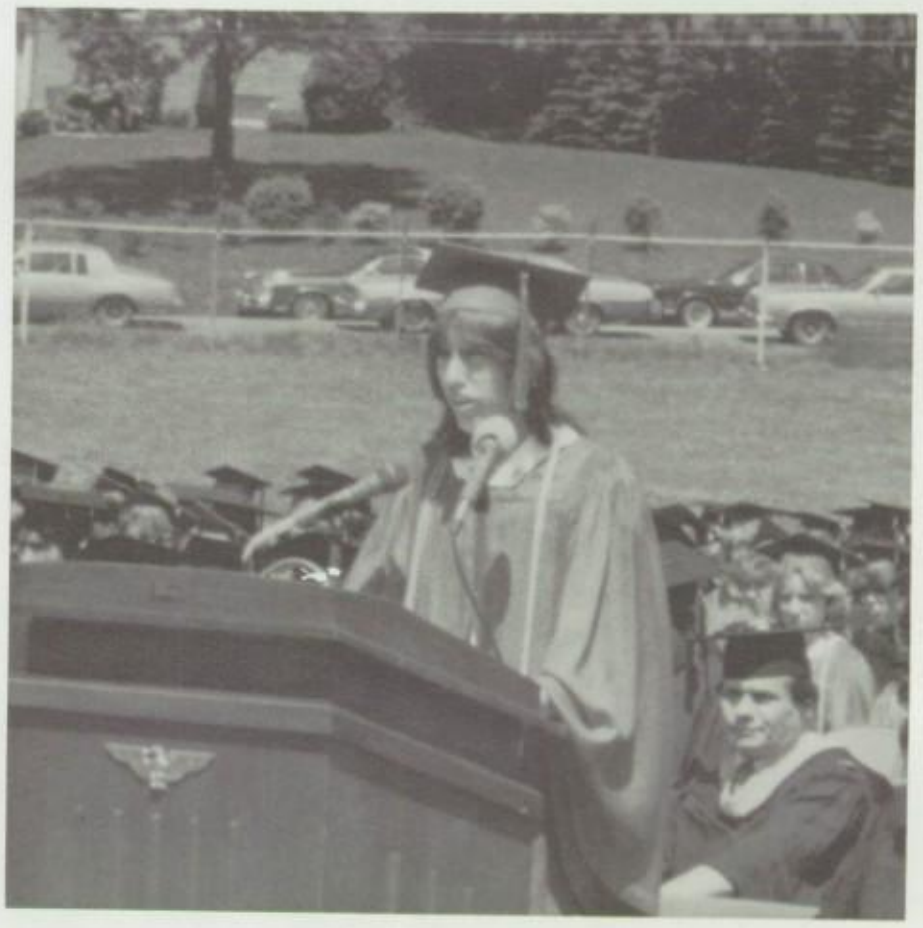
Commencement 1981 -A Plea For Peace

On May 31, 1981 the graduating class of Elizabeth Forward hoped that the plea made by the speakers that afternoon would insure them a future free of war. After the welcoming address by Class President, David Zora, and Greetings by Mr. Harmar Neff, President of the Board of Directors, Tracy Talavinia spoke of **Tranquilty Within** and how it could affect future peace. Mary Ravasio followed with remarks about **Interpersonal Accord** and how this could advance the cause of peace. **A Nation Truly United** was described by Nick Blyshak, and Lori Halaszynski suggested future peace could be achieved through **Universal Harmony.**

Following the speakers Dr. John Clark and the administration got to the business at hand and presented each member of the graduating class their diplomas.







1. David Zora, President, Class of 1982
2. Mr. Harmar Neff, President, Board of Directors
3. John Keefer watches Karen Beattie switch her tassel.
4.Lori Halaszynski addressing the graduating class and guests

"Best Of Times"

The 1981 Prom had to be the "Best of Times" for all who attended. As can be seen by the accompanying pictures everyone enjoyed themselves at the prom and the after prom party. As always the climax of the festivities took place when the nine nominees for "Prom Queen" were escorted to center stage for the Coranation. This years choice for "Prom Queen" was Tina Dichera who was crowned by the reigning queen Michele Flintall.

ATHLETICS

Football

The "Red and Black" football team coached by Mr. Strager proved to be a fighting team which played hard against every team they challenged.

Even though losses were greater than wins, the team kept a competitive spirit and ended up with a 2-7-1 record. The professional performances of the team gave our student body many exciting and enjoyable weekends.

1. Sebben struggles for ball against the Leps.
2. Minjock in pursuit against the Leps.
3. Warriors plot their combat.
4. Karloski gets the pass.

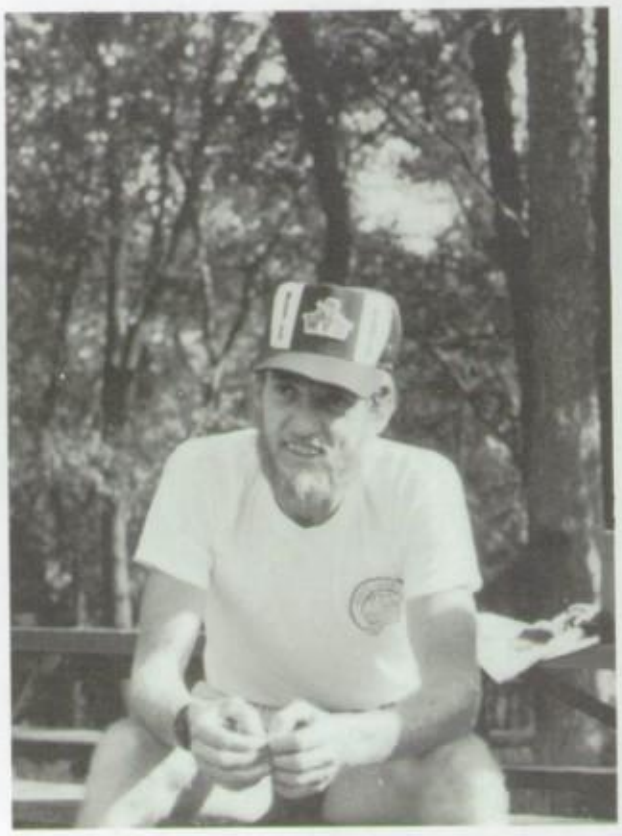
Cross Country



Running, a favorite pasttime of many students, was a habit for the 1980-81 cross country team. The team finished their season with a 10-4 overall record. The team is the largest in the past five years with eleven high school members and thirteen members in grades 8 and 9.

Jeff Gibson, senior and captain of the team, had a very rewarding season. At the Uniontown Invitational meet, Jeff broke their course record in the 2.8 mile run. Jeff also went to the WPIAL qualifiers with junior Chris Brussalis. This was the first time the team sent two members at the same time.

At the California State Invitational meet, the team took sixth place out of thirteen teams. At the Uniontown Invitational meet, the team took third place out of nine teams.

Elizabeth Forward High School's basketball team provided some real excitement for E.F. students on Tuesday and Friday nights.

Head coach of the Warriors, Mr. Berich, worked hard to put together a fighting team.

Many close losses made E.F.s section record rather disappointing but the team still provided many exciting moments for our student body.

Girl's Hoop

This year the Girl's Varsity Basketball Team did what it had been trying to do for the past few years. They clinched the Section 4-AAA title with a two point win over arch-rival Thomas Jefferson. They also took the top spot in the Betsy Christmas Tournament by defeating Uniontown and South Park. The girls ended season play with a section record of 8-2 and 18-5 overall, remaining undefeated at home. Seniors, Chris Hnat became the all-time high scorer in E.F. history with 880 career points, and senior, Jaime Jefferis, had the second highest number of assists of all times. The other three year team member was senior, Lisa Ianno, who averaged nine points per game. Junior, Cindy Kelly, had the high scoring average this season, along with an average 10,9 rebounds per game. Juniors, Pam Arnold, Sue Minford, and Kathy Gretz, also contributed to the girls winning season. The tremendous spirit and team work of these hard-working girls made this season one of the best. Broadway Show Tunes

The Broadway Showtunes class, under the direction of Mrs. Harriet Colebank was a quite unique one indeed.

Students involved in this class selected solos and group songs from the famous Musicals.

These songs included, If I were a Rich Man, (Fiddler on The Roof), Gonna Wash that Man Right Out of My Hair (South Pacific) and That Great Come and Get it Day (Finnigan's Rainbow).

The class traveled to The Elizabeth Forward Junior High to perform for the chorus classes. This helped to round out the fun-filled semester.

Warrior Choir

Together At Christmas

This year's Warrior Choir Christmas Concert was held on December 13, 1981. The theme was "Together at Christmas" with the highlight of the concert being a medley of songs from the 20's, "Twentiana. Featured in this nember were the ever-popular keystone Cops, the gangster Al Capone, and a glorius rendition of the Charleston by Peggy Skalican in a flapper.

The formal part of the concert opened with the traditional singing of the "Fanfare for Christmas" followed by a processional to "Glory In The Highest." Other songs performed were "The Sleigh", "Carol of the Bells", "African Noel", and "Joyful, Joyful, We Adore Thee" which featured Tracy Talabinia on the organ.

Much of the choirs success can be attributed to Carolyn Guzik, Accompanist. Thanks to her the choir managed to stay on pitch, (most of the time). Also Mrs. Harriet Colebank, director, because without her guidance and dedication the choir would not have the fond memories that came with this year's concert.

Peggy receives a little help in taking off her coat before the big dance.

Barb Joneshas once again waited until the last minute to get dressed.

The Ski Club got off to a good start this year when a huge, unexpected snowfall hit Pittsburgh. The skiers made an all day trip to Seven Springs over the Christmas vacation and had a really great time. There was a lot of snow in January with very cold weather and the group managed a few Wednesday night trips to Seven Springs. Members remained psyched while Mr. Koslowski made arrangements for Sugarbush Valley, Vermont during the Easter vacation.

"Where's Darrel, I need pictures! Who broke the cropper, Where's the layout for page 45, Who Broke the grease pencil? Help! Help! These fits of frustration were frequently heard in Room 213 and The Newsroom during study halls and after school. Once again this year Mr. Echard and John Aiken, Editor in Chief made a dedicated attempt at recruiting new members. Needless to say when it came down to the wire, only those extremely dedicated ones were able to be found.

For the first time, the yearbook equipment was relocated to Room 213. It was thought that the Eli-Mon staff could work a little better if the usual and Bizzare happenings of the newsroom were not there to interfere.

I'm sure Peggy and John will always remember the nights they spent at the high school until 11 O'clock making futile attempts at meeting the ever-present deadlines.

The staff will never forget the times Barb, John, Peggy, and Greg spent bathing in the ink pad.

Through the year we all made new friends and old friends became closer (they also were at each others throats), and our memories will be forever.

Once again the newspaper staff was plagued with the burden of finding a Sponsor that was insane enough to have them; however, luck was on their side and they are now deeply indebted to Ms. Audrey Urbanovich who volunteered and saved The Warrior from a fate worse than death.

Under the able direction of Sandy Trappen, Editor-in-Chief, The newspaper staff managed to publish 12 issues which is more than ever before published. This was a very difficult task which involved late nights at school in order to meet deadlines. The staff sold stuffed animals to help finance the cost of the banquet at the close of the school year.

We shall never forget, the utter choas at layouts, the perfect sports page, The slanderous Editorial Editor and his faithful assistant, the invention of a new editors position, and the thousands of jokes that were told.

The Warrior staff had a great deal of fun this year, but no one will ever forget how hard they all worked or how many memories were made which will last until' eternity.
